PREFACE

THE GENERAL CONFERENCE MENNONITE CHURCH is an entity composed of member congregations in North and South America. It is incorporated under the statutes of the state of Kansas in the U.S.A. Churches have united to form a Conference of Mennonites in Canada, five district conferences in the United States, five conferences in Canada, a South American conference and conferences in Brazil, Paraguay and Uruguay.

The delegate body which meets triennially is elected by individual churches on the basis of one delegate per thirty members or fraction thereof. At the triennial sessions delegates elect three officers: president, vice-president and secretary. The delegate body also elects members to a general board, program commissions, a seminary board and a division of administration. These bodies meet annually as a Council of Commissions. It is at these sessions that programs are planned and the annual budget is adopted.

A subsidiary corporation, Church Extension Services, is incorporated under the statutes of the state of Kansas and deals with specific areas of program work.

A number of institutions and organizations, such as Africa Inter-Mennonite Mission, Mennonite Central Committee, colleges and hospitals bear a functional relationship to the conference through the commissions or the General Board. These institutions, recognized as General Conference related, are part of the corporate structure of the General Conference Mennonite Church. They have their own corporate structures as set up under the statutes of the states in which they are located.

The General Board appoints three representatives to Mennonite Central Committee and three to Mennonite World Conference.

GENERAL CONFERENCE MENNONITE CHURCH

This circle drawing reflects the interaction of the congregations, area conferences, inter-Mennonite agencies, commissions, institutions and organizations related to the General Conference.

Members of commissions and boards and representatives of most of the organizations on this chart gather each March as a Council of Commissions to give counsel to the General Board which gives overall direction to the conference, establishes priorities, sets the annual budget, appoints executive staff and makes bylaw changes.

The congregations in Canada have five area conferences in addition to the Conference of Mennonites in Canada. The congregations in Brazil, Paraguay and Uruguay have their respective national conferences in addition to the South American Conference.

General Conference schools in Canada are owned by area conferences. In the United States they are owned by church-related societies.

The Program Committee plans the triennial conference sessions.
